DECISIONS

1. It was decided that the first Teaching Skills Course to be held this year would take place between 18-21 June 2019.
2. The faculty members who would serve in the course and the sessions they would be responsible for were determined. It was decided that the session previously conducted by Assoc. Prof. Dr. Yonca Sönmez would now be conducted by Assist. Prof. Dr. İnci Kolcu.
3. It was considered appropriate for the Dean's Office to send an information letter to the departments of both the faculty members participating in the course and the instructors, regarding their assignment to the course.
4. It was decided to apply to the Directorate of Health, Culture and Sports for the refreshments to be provided during the course.
5. Since the Teaching Skills Course is regularly held twice a year, it was decided to apply to the Dean's Office for financial support for the course expenses.
6. In order to increase the number of faculty members serving on the Teaching Skills Board, it was decided to invite faculty members who had taken the course in previous years and who wished to become instructors in the teaching skills course to the upcoming course.
7. It was decided to reconvene on 29 May 2019 to make preparations for the course.
