DECISIONS

The Süleyman Demirel University Education Program Evaluation Board (SDÜTF-EPDK) convened online on 6 July 2021 under the chairmanship of Prof. Dr. Ersin USKUN. At the meeting:

1. The current status of the Learning Management System, whose renewal work is ongoing at our university, was shared.
2. It was shared that the Health Law lectures to be added to the Term 6 Public Health clerkship — a matter previously discussed at the EPDK and referred to the MÖTEK, where it was decided upon — had not been communicated to the Department of Public Health after the decision was taken. It was discussed that decisions taken by the boards need to be communicated to the relevant persons and departments, and that the board chair and the secretariat need to show diligence regarding this matter.
3. It was discussed that difficulties are experienced with attendance because the meetings are held during the midday working hours, and that if the meeting time were moved to 11:00, administrative staff could also attend the meeting; however, it was noted that departments with a heavy teaching load once the term begins (such as Anatomy) might then not be able to attend the meetings. It was decided that the Dean's Office would bring forward another solution to this matter, and that until a new arrangement is made, the meetings would continue to be held at 12:30.
4. Whether or not it would be possible to switch to in-person education in the 2021-2022 academic year, and what kind of rules could be introduced if the switch were made, was discussed.
5. The meeting was concluded with a general evaluation.
6. It was decided that the next EPDK meeting would be held on Tuesday, 3 August 2021.
