DECISIONS

The Süleyman Demirel University Education Program Evaluation Board (SDÜTF-EPDK) convened on 22 August 2023 under the chairmanship of Prof. Dr. Ersin USKUN. At the meeting:

1. The letter from the Quality Management Unit of the Chief Physician's Office of the Süleyman Demirel University Research and Practice Hospital, containing a proposal to add training on topics within the scope of healthcare quality standards — such as patient identification and verification and the importance of using digital archives in patient records — to the education program, was discussed. As proposed, it was decided that it would be appropriate to add training on patient identification and verification and the importance of using digital archives in patient records, etc., to the program of Term 3 (integrated session), Term 4 (within the scope of orientation training), and Term 6 (within the scope of orientation training) of the Faculty of Medicine.
