| Venue        | Dean's Office Building, Hall A |

**AGENDA ITEMS**

1. Review of the matters to be carried out within the scope of the board's activities

**DECISIONS**

1. The decisions of the previous meeting were reviewed.
2. Information was given regarding the "Progress Test" implemented at our Faculty.
3. It was shared by the Term 6 Coordinator's Office that, during the placement into groups of students who had lost clerkship time in Term 5 and who start Term 6 late (because the Term 6 program rotates in 2-month cycles), in order to start these students in their internship without making them wait, it had been necessary to include them in Groups D and F, and that for this reason some groups are more crowded; and that, because this situation results in fewer on-call duties and less workload, feedback had been received from students on this matter. A proposal was put forward that, if the Family Medicine clerkship — which falls within the last 15 days of the Public Health and Family Medicine clerkship that rotates within 2 months — were taken before the Public Health clerkship, students could be assigned to more groups, and that student numbers could thereby be distributed more evenly. It was decided that the opinion of the relevant departments would be sought.
4. In order to increase participation in the intern meetings that began to be held this year, it was decided that the meetings held at midday would be held at 11:00 a.m., and that a letter would be sent to the departments in order to ensure maximum participation.
