

SÜLEYMAN DEMİREL UNIVERSITY
FACULTY OF MEDICINE
Education Program Evaluation Board (E.P.D.K.)

Meeting Minutes

Meeting No	88
Meeting Date	11 March 2025
Venue	Dean's Office Building, Hall A

AGENDA ITEMS

1. Review of the matters to be carried out within the scope of the board's activities

DECISIONS

1. Information was given that our accreditation application file had been accepted, and that the visits to be made to our Faculty for evaluation would take place between 13-17 April 2025.
2. The letter sent from the Department of Internal Medicine regarding a request to change the intern program was discussed. In the request, it was noted that disruptions are occasionally experienced in the clinics during our Faculty's final-year students' participation in graduation rehearsals, and, in order to prevent this, the request that the new term's students be started in internship during the rehearsal period (one week earlier than under the current schedule) was evaluated. The Term 6 Coordinator's Office reported, as an opinion, that this request could not be implemented before the previous students' graduation takes place and the other group could therefore not be started, and that, likewise, the newly arriving students could not begin their intern training before their SGK (Social Security Institution) registrations are completed. For this reason, it was decided that, under the current conditions, it is not possible to fulfill this request, but that, in order to prevent any disadvantage in the clinics, the graduation ceremony could be scheduled after the end of the clerkship.
3. It was noted that the opinion of the Departments had previously been sought regarding updating the Faculty's aims and objectives, and that no new proposal or request for change had been made; it was decided to continue without making any changes.
