

SÜLEYMAN DEMİREL UNIVERSITY
FACULTY OF MEDICINE
Postgraduate Medical Education Board (M.S.T.E.K.)

Meeting Minutes

Meeting No	4
Meeting Date	2 July 2024
Venue	Dean's Office Building, Hall A

AGENDA ITEMS

1. Conducting a general evaluation of the medical specialty training provided in the departments of our Faculty.
2. Evaluation of the 2024 resident feedback results report.

DECISIONS

1. Positive feedback regarding the "breaking bad news with a simulated patient" training provided to voluntary medical specialty students pursuant to the MESTEK decision dated 15.02.2024 — particularly the specialty students of the Department of Anesthesiology and Reanimation — was evaluated. It was decided that this training would be expanded to all clinics for current specialty students, starting with the Department of Emergency Medicine, that the course would be included in the resident course program, and that this training would also be added to the orientation training program, starting with the first orientation training to be given to newly arriving specialty students.
2. It was decided that simulated patient practices would be initiated for specialty students through a "communication skills" scenario.
3. The feedback survey evaluation report received from specialty students was discussed. It was decided that a study would be conducted regarding the reasons for the low participation in the feedback survey, and that these reasons would be examined through an online survey to be prepared for this purpose.
