Meeting Minutes

Meeting No	9
Meeting Date	26 March 2025
Venue	Dean's Office Building, Hall A

AGENDA ITEMS

1. Evaluation of the decisions taken at the previous meeting.

DECISIONS

The Postgraduate Medical Education Board convened on 26 March 2025 at 11:00 in Dean's Office Hall A. The feedback report on the orientation training held on 18 February 2025 for resident physicians placed at our Faculty according to the 2024 Term 2 TUS (Medical Specialization Examination) results was reviewed, and it was decided that:

1. the current training content was appropriate, given that participants outside the clinical branches (Department of Basic Medical Sciences) are also medical doctors receiving postgraduate medical training and therefore need to be aware of both the hospital's and the Dean's Office's activities;
2. the current training content was appropriate, given that civil-service-related matters such as State Civil Servants Law No. 657 are covered under the topic "Resident Personnel Affairs";
3. the Deputy Chief Physicians who deliver the training under the topic "Clinical Records and Health Services Practices" would be consulted so that this training could be redesigned in small groups and in a hands-on format;
4. the relevant units would be consulted regarding having the title "Doctor" printed on the ID badges of physician residents who hold posts within the Ministry of Health cadre but are assigned to our university;
5. training needs would be identified and training plans made in order to organize orientation training specifically for faculty members newly starting duty at our Faculty;
6. the next meeting would be held in May 2025, with the follow-up of decisions as the agenda, and this was decided unanimously.
