DECISIONS

The Süleyman Demirel University Undergraduate Medical Education Board (SDÜTF-MÖTEK) convened on 7 July 2020 in Meeting Room A of the Dean's Office Building, with the participation of the board members, under the chairmanship of Prof. Dr. Alim KOŞAR. At the meeting:

1. The decision of the Council of Higher Education (YÖK) that, due to the pandemic, up to 40% of education could be conducted online was announced to the board members by the Dean's Office.
2. In line with this decision, for the part of education to be conducted face-to-face, it was considered that, since each Term IV clerkship group has approximately 70 students, classes could be held in the Term III lecture halls instead of classrooms; and that, since each Term V clerkship group has approximately 30 students, classes could be held in the large classrooms (Halls 6, 7, 8 and 9), thereby making it possible to maintain the distance that must be kept between students.
3. It was decided that practical applications in Term IV and V would be conducted in small student groups.
4. It was decided that the clinical education applications that could not be carried out in the last two committees of Term III would, if possible, be carried out by calling students in one week before the start of the term.
5. Thanks were extended to Term III Coordinator Assist. Prof. Dr. Mümtaz Cem Şirin, on the occasion of his request to step down from the position, for the services he had rendered.
6. It was decided that the next meeting would be held on 11 August 2020, between 12:30 and 13:30.
