Meeting Minutes

Meeting No	75
Meeting Date	12 March 2024
Venue	Dean's Office Building

AGENDA ITEMS

1. General Assessment
2. Review of the matters to be carried out within the scope of educational activities

DECISIONS

1. Assoc. Prof. Dr. Giray Kolcu, faculty member of the Department of Medical Education and Informatics, shared the information that having elective courses in all years is a development standard for accreditation. It was stated that, in the current program, there are elective courses in each Stage to the extent that meets the basic standard, but that there is no elective course in every term (there is none in Term 1 and Term 4). For this reason, it was discussed that:
 - UOS (university common elective course) courses could be added to the Term I course program, and for this purpose, time could be allocated for UOS courses on Friday afternoons in the Term 1 course program next year,
 - it would be beneficial to encourage our Faculty's faculty members to open courses within the scope of UOS.
2. It was stated that the Pathophysiology course could also be opened as an ÖÇM (Special Study Module) course.
3. Faculty student representative M. Emin Ağır gave information about certain matters discussed at the TÖK meeting. It was stated that the room allocated for intern physicians in the Obstetrics and Gynecology service had been taken back, and that there is no intern room in the Pediatrics service or the emergency department. It was stated that items such as coat hangers and cabinets are missing in some services.
