AGENDA ITEMS

1. General Assessment

DECISIONS

1. Regarding the application submitted by the Department of Internal Medicine and discussed at the EPDK, it was decided that the arrangements requested by the Department of Internal Medicine in the internship program could not be made. In this regard, it was stated that the justifications specified at the EPDK remained valid. In order to meet the request in question, it was proposed that the graduation ceremony, in which Term 6 students would participate, be held as close as possible to the end of the academic calendar. However, it was stated that the general graduation date is important for this purpose and that this date must also be taken into account in the arrangement.
2. As was also discussed at the EPDK meeting, it was stated that no update proposal had been received from the departments for the update efforts regarding our Faculty's education program aims, objectives, vision and mission, and that no update proposal on these subjects had been raised at the most recent meeting of our Faculty's Medical Students' Board (TÖK) either.
3. It was shared that the date of our Faculty's accreditation visit had been determined. Assoc. Prof. Dr. Giray Kolcu, from the Department of Medical Education and Informatics, informed the board about the visit process.
4. Following feedback from Term 3 Coordinator Assist. Prof. Dr. Furkan Çağrı OĞUZLAR regarding the possibility of abuse in the medical reports that students use as an excuse right in exams, it was shared that make-up exams for excused absences could also be held as open-ended exams.
5. It was shared that, following revisions made to the Examod system, some errors had occurred in the exam-scanning section, that these errors had not yet been resolved by the company, and that the Term Coordinators had been resolving the problem themselves. It was decided that the software company would be contacted again.
