Meeting Minutes

Meeting No	89
Meeting Date	13 May 2025
Venue	Dean's Office Building, Hall A

AGENDA ITEMS

1. General Assessment

DECISIONS

1. It was decided that the "Career Days" event, which was organized last year based on feedback received from interns and with the support of the faculty members and research assistants of the Department of Public Health, would be organized again in June, based on verbal feedback received from this year's interns.
2. It was decided that the "Intern Workshop" held with intern physicians would again be organized within June this year, and that a student from the 5th year would also be invited to the event.
3. Course plans were discussed. Based on the MÖTEK decision taken last year, it was stated that moving the "topics related to blood" taught by the Departments of Physiology, Histology, Biophysics and Biochemistry from Course Committee II to Course Committee I would disrupt the integration within the Course Committee. For this reason, it was decided that the topics related to blood would remain within Course Committee II.
4. The course-hour changes in the terms were discussed together with their justifications and were found appropriate.
5. The course hours and content of the Family Medicine and Emergency Medicine clerkships within the Term 6 clerkships were assessed. The ECTS of the Family Medicine clerkship was updated to 3 ECTS, and the ECTS of the Emergency Medicine clerkship was updated to 9 ECTS.
6. It was decided that an assignment letter would be issued to the specialist physician(s) serving in the Department of Pediatrics for the "Pediatric Basic Life Support" practical course included in the Term 1 course program.
7. It was decided that the assignments to be made for the Professional Skills Practice Courses in Terms 1, 2 and 3 would be made after the Interprofessional Applied Education Board convenes.
8. Verbal feedback regarding changing the day of the ÖÇM course was discussed at the Board. It was stated that, since the University Common Elective Courses are held on Friday afternoons, and since the faculty members who offer the ÖÇM course are from faculties outside the Faculty of Medicine, the course needs to be held on Friday afternoons.
9. It was decided that the course assignments, course programs, clerkship guides, orientation guides, and intern logbooks for the new academic year would be reviewed and sent to the Dean's Office by 16 June 2025.
