AGENDA ITEMS

1. General Assessment

DECISIONS

1. The letter on the subject of "Course on Combating Addictions," received from our University's Department of Student Affairs, and the letter on the subject of "Adding a Course on Combating Addiction," received by our Dean's Office from our University's Coordinatorship for Combating Addictions on the same subject, were discussed. Based on these letters, the opinions obtained from the internal stakeholder (Department of Medical Education), external stakeholders (Yeşilay [Green Crescent] and a graduate of our Faculty), and peer institution (Faculty of Dentistry) were assessed. As a result of these assessments:

Regarding the course in question, the decision received from EPDK — that a 2-hour theoretical course worth 2 ECTS, to be given over 14 weeks in the spring semester, be added to the Term 1 course program; that the course title be Addiction and Combating Addiction; that a summative assessment be applied for the course; and that the course be given by specialists to be assigned by the Coordinatorship for Combating Addictions as well as by faculty members serving in relevant departments such as our Faculty's Department of Public Health, Department of Family Medicine, Department of Psychiatry, Department of Forensic Medicine, Department of Chest Diseases, Department of Emergency Medicine, and Department of Medical Pharmacology — was found appropriate and accepted. It was decided that the proposal to open the new course be submitted to the Faculty Board in its current form.
