DECISIONS

The Süleyman Demirel University Interprofessional Applied Education Board (SDÜTF-MUEK) convened on 25 May 2022 with the participation of the majority of the board members. At the meeting, it was decided:

1. That, since applied trainings have now become established within the program at our faculty, Article "4.1. The Board convenes once a month, upon the invitation of the chair, discusses the items on the agenda, and submits its decisions to the Dean's Office" of the Interprofessional Applied Education Board Working Principles may be updated to read: "Although interim meetings may be planned when necessary, the Board convenes once every two months, on the Wednesday of the second week of the month, at 12:30, either online or in person," and that this be communicated to the Dean's Office;
2. That the need for an intubation manikin is appropriate, and that this be communicated to the Faculty of Medicine Dean's Office;
3. That the technical service maintenance process for the manikins used in intravenous access training be organized;
4. That the attached list for the determination and assignment of responsible faculty members for the Pre-Clinical Period Professional Skills Trainings be communicated to the Faculty of Medicine Dean's Office.
