Meeting Minutes

Meeting No	24
Meeting Date	6 October 2025
Venue	Dean's Office Building, Hall A

AGENDA ITEMS

1. Review of the activities to be carried out within the scope of the Board's activities.

DECISIONS

1. In view of the start of the 2025-2026 academic year, the arrangement of the microscope laboratories and applied education halls in accordance with the course program was reviewed.
2. It was decided that, since Prof. Dr. Soner ALBAY is leaving our Board due to his assignment to our Faculty's Program Evaluation Board, Assoc. Prof. Dr. Yedigir KASTAMONİ would be appointed as a member of the Interprofessional Applied Education Board in his place, for a term of 3 years.
3. It was decided that, in cases where the mannequins/models are used by departments outside our Faculty, the procurement of the necessary consumable supplies would be the responsibility of the relevant department, and that this matter would be communicated to the other departments.
4. Since the Advanced Life Support mannequin is sensitive and costly, it was decided that, in order to prevent improper use, a guidance text to be prepared by the Department of Anesthesiology and Reanimation regarding the proper use of the mannequin should be followed by the faculty member responsible for the relevant course.
5. It was decided that the Interprofessional Applied Education guide would be updated.
