The Süleyman Demirel University Special Study Module Board (SDÜTF-ÖÇM) convened online on 8 June 2020 with the participation of the majority of board members. At the meeting:

1. Since the aims and objectives of the Special Study Modules had largely been achieved before the pandemic, no additional planning was considered necessary for the pandemic period.
2. Special Study Module grades can be assessed on the basis of the educational activities carried out during the face-to-face period.
