Meeting Minutes

Meeting No	40
Meeting Date	20 March 2025
Venue	Dean's Office Building, Hall A

AGENDA ITEMS

- 1.
- 2.

DECISIONS

1. The Chair of the Board, Assoc. Prof. Dr. Gökçe İşcan, stated that she wished to step down from the position of Chair due to workload. Assoc. Prof. Dr. Gülşah Usta was elected Chair of the Special Study Module Board by the votes of the Board members.
2. It was stated that problems had been experienced with letters not reaching, or reaching late, faculty members from other faculties who would be opening a Special Study Module course. It was proposed that, in future terms, letters regarding the opening of courses be announced to other faculties against signature.
3. It was decided that there was no objection to a student who had taken a given Special Study Module course in Term II taking the same Special Study Module course again in Term III.
4. It was decided that, in order to inform faculty members — particularly those newly appointed — about the scope of Special Study Module courses, information about these courses would be given at the general academic board meeting to be held.
5. It was stated that it could be useful to discuss with senior faculty members, in particular, the opening of Special Study Module courses in future terms.
6. It was proposed that the day of the Special Study Module course in next year's course schedules be reviewed.
7. It was proposed that the number of faculty members on the Board be increased.
