DECISIONS

The Süleyman Demirel University Assessment and Evaluation Board (SDÜTF-ÖDK) convened on 15 May 2017 in the Dean's Office Building, Meeting Hall A, with the participation of all of the board members. At the meeting, the following matters were discussed:

1. Arranging the scoring in examinations, addressing the threshold (baraj) scoring, and consulting with some Faculties of Medicine providing the same category of education,
2. Separating practical examinations from theoretical examinations,
3. Whether open-ended questions would be asked in make-up examinations,
4. Raising the passing grade — it was discussed that it should be at least 85 or higher.
5. Converting absenteeism into a grade penalty in order to increase attendance at classes.
6. That, due to the high number of students, the same course be divided into at least two groups (such as A and B, as is applied in Term I) and taught by different instructors.
7. It was decided that the next meeting would be held at the same place on 5 June 2017 at 10:30.
