

SÜLEYMAN DEMİREL UNIVERSITY
FACULTY OF MEDICINE
Self-Evaluation Board (Ö.Z.D.E.K.)

Meeting Minutes

Meeting No	01
Meeting Date	10 December 2024
Venue	Dean's Office Building, Meeting Hall A

AGENDA ITEMS

1. The "2025 Undergraduate Medical Education Standards External Stakeholder Opinion Collection Form" sent by e-mail by the Medical Education Programs Evaluation and Accreditation Association (TEPDAD) regarding the 2025 Undergraduate Medical Education Standards External Stakeholder Opinion was discussed.

DECISIONS

1. It was deemed appropriate to submit the explanations specified below regarding the "Institutional Purpose and Objective" and "Institutional Planning and Evaluation" criteria:

* Institutional Purpose and Objectives: Although the item itself is expressed quite clearly, the strategic plans, purposes, and objectives of universities are sometimes confused with the faculty's purposes and objectives. If there is an expectation for faculty-specific purposes and objectives, this can be added as an explanation.

* Institutional Planning and Evaluation: Universities generally have established a single strategic plan. Since the sections related to the faculty are not specifically indicated within this document, it can be difficult to express the faculty's strategic objective.

2. The other items included within the scope of the 2025 Undergraduate Medical Education Standards were found appropriate, and no proposal was submitted regarding these items. It was decided that the feedback for the form would be prepared in this manner.
