

SÜLEYMAN DEMİREL UNIVERSITY
FACULTY OF MEDICINE
Program Evaluation Board (P.D.K.)

Meeting Minutes

Meeting No	30
Meeting Date	29 November 2024
Venue	Dean's Office Building, Hall A

AGENDA ITEMS

1. "Providing Feedback on SDU's 'Principles and Procedures Regarding the Opening, Review, and Update of a Department/Art Department/Division/Program'"

DECISIONS

1. It is stated in the third section, concerning "Program Review and Update," of our University's "Principles and Procedures Regarding the Opening, Review, and Update of a Department/Art Department/Division/Program" that programs and course plans open to student admission must be reviewed at intervals of at most 5 (five) years. However, since Faculty of Medicine education is a 6-year process, a review to be carried out within a maximum period of 5 years would create difficulties in ensuring the integrity of the education. Furthermore, in forming their curricula in order to train physicians with the same basic knowledge and skills, faculties of medicine base themselves on the National Core Education Program (UÇEP). The UÇEP, in turn, is reviewed and updated according to the needs of the day, and its update intervals are 6-year periods.
2. Considering these points, it was decided to provide feedback to our University's Department of Student Affairs regarding the matter of the Program Review and Update principles being set to span the duration of the education program, without specifying a particular year.
