DECISIONS

The Süleyman Demirel University Community-Based Medical Education Board (SDÜTF-TODAİK) convened on 2 March 2023 with the participation of the majority of the board members. At the meeting:

1. The studies conducted by the Department of Public Health on "The Relationship Between Body Image and Orthorexia Nervosa: A Mediation Model of Social Physical Anxiety" and on dietetics and ethics were evaluated in terms of their social usefulness, and it was decided that it would be appropriate for such studies to continue and to be conducted on a broader scale, and that interns' participation in these studies provides social benefits.
