

SÜLEYMAN DEMİREL UNIVERSITY
FACULTY OF MEDICINE
Community-Based Medical Education Board (T.O.D.A.E.K.)

Meeting Minutes

Meeting No	27
Meeting Date	18 December 2023
Venue	Dean's Office Building, Hall A

AGENDA ITEMS

1. Review of the matters to be carried out within the scope of the board's activities

DECISIONS

1. Ensuring the integration of the Social Committee and student clubs so that Community-Based Medical Education Practices can be carried out more effectively, and ensuring that every student is given equal opportunity within the student clubs,
2. Organizing events, on specific days and weeks such as "World AIDS Day," by the units related to that day,
3. Placing particular emphasis on topics related to addiction, and involving institutions such as the Green Crescent (Yeşilay) in this process,
4. Addressing topics such as sexually transmitted diseases and addiction in earlier terms (starting from Term 1), and organizing symposiums and similar events,
5. Obtaining training support from related institutions such as AFAD for emergency-disaster situations,
6. Including Assist. Prof. Dr. Fuat İnce from the Department of the History of Medicine and Ethics in the board,
7. Resuming, with Term 3 students, the Public Health field trips that had been paused due to Covid (such as to the waste storage area, water treatment plant, and drinking-water facility), and requesting vehicle allocation for these trips,
8. Restarting, with Term 6 students, the visits to the nursing home and child protection agency that had been cancelled due to Covid,
9. Visiting the historical and cultural structures in the region related to the history of medicine and medical education (such as the Ertokuş Madrasah), making these visits routine so that they take place once per term, and requesting vehicle allocation from the Rectorate for these visits,
10. Continuing the visits to the Provincial Health Directorate,
11. It was decided that certificates/plaques of appreciation be prepared for the Family Health Centers (ASM) that contribute to intern training and the family physicians working there, and for the institutions that support our students in the field during their training, such as the nursing home, wastewater treatment plant, waste storage area, Provincial Health Directorate, City Hospital, KETEM (Cancer Early Diagnosis Center), Tuberculosis Control Dispensary, and Healthy Life Center.
12. The board's working procedures and principles were reviewed. It was decided that meetings would be held twice a year, at the start and end of the term.
