FACULTY OF MEDICINE

Meeting Minutes

Meeting Date	15 March 2022
Venue	Dean's Office Building, Professional Skills Laboratory, Meeting Hall B

DECISIONS

The meeting of the Süleyman Demirel University Faculty of Medicine Student Council (SDÜTF-TÖK) was held on 15 March 2022 under the chairmanship of Muhammet Emin AĞIR, in Meeting Hall B of the Professional Skills Laboratory in the Dean's Office Building.

At the meeting:

1. Students requested that the tables in the large study halls that are longer than the others be replaced with shorter study tables, as they seriously reduce study efficiency.
2. The complaint of students using the study halls on weekends that "the radiators do not work and it is cold" was evaluated; it was proposed that, even without the radiators, heating be provided at least via air conditioning in the evenings and on weekends.
3. Because the computers in the "Computer Room" on the top laboratory floor on the Dean's-Office side could not be used, intern doctors requested a "Quiet Study Room" for studying for the TUS exam. It was therefore proposed that the computers there be removed to make the room suitable for studying, and that the room be kept open at all times.
4. It was proposed that the canteen-side door on the ground floor of the Morphology Building be closed, and that the corridor and interior area be furnished with as many study tables and chairs as possible to provide Faculty of Medicine students with a study room (Note: since the single entrance is on the student-lockers-side stairway, tables added to the corridor area should be placed on the radiator side for warmth).
5. It was decided by the Council that the next meeting would be held on Monday, 28 March 2022.
