- 3.

DECISIONS

1. In the election held with the participation of 2 candidates and 17 members, Berkay KUŞCU was elected Chair by receiving 9 votes.
2. It was brought to the agenda that our instructor Prof. Dr. K***T G**E from the Department of Histology cannot teach the Term 2 courses because he/she also serves as the Dean of the Faculty of Sport Sciences. It was proposed that, if necessary, a different faculty member give the lectures.
3. It was raised that the lecture halls are opened very late. It was proposed that the keys be left with security so that the lecture halls can be opened earlier by the representative.
4. Since the school study halls are very dark when leaving at night, it was proposed that lighting be installed for this.
5. There are currently a few tables and chairs in the corridor area on the academic floor of our hospital. It was proposed that their number be increased somewhat by providing suitable locations.
6. It was proposed that the prayer-room carpets in our school's Morphology Building be washed and cleaned regularly.
7. Since the hospital cafeteria's opening time does not suit most clerkships, it was proposed that it be moved to 12:30.
8. It was proposed that, at the next meeting, the intern clerkship groups be discussed again with the participation of our Vice Dean Prof. Dr. S****E E***N.
